

How to mix 100% HERBAL Hair Color?

...Just Add Water . . . 只需加水。

How much powder (100% herbal color) do we need for one application?

Normal Short Hair : 30-50 Grams /application (1/3 of the pack)

Collar Length Hair : 60-80 Grams / application (2/3 of the pack)

Shoulder Length Hair : 100-130 Grams /application (1 + 1/3 of the pack)

Long Hair (Hip Length) : 150-200 Grams / application (2 full packs)

1. Put on Gloves. Dispense the powder to a plastic or ceramic bowl. Mix with water slowly to make like the creamy paste. Ensure the paste is neither too thick nor too watery to apply on the hair. The ratio of water should be approximately 75%, powder 25%. Add a Teaspoon of Sugar & Salt.
(Optional: 1~2 drops of 100% Natural Terp's Oil.)

2. Wash your hair thoroughly with shampoo and Towel/ Blow dry wet hair.

3. Apply paste on hair with a brush. Comb or massage the hair so that the paste could reach to the roots of hair, even on the scalp. Apply generously, more portions on grey hair. Ensure color paste applied on hair completely.

4. Avoid dripping; tie a cloth band around the hair line on the head.

5. Wear the shower cap or shrink-wrapped (Film) the head. Wait for 45 minutes to 1 Hours. (*Ideal for streaming)

6. Rinse hair clean with running water, rinse thoroughly with "Hair - Conditioner" till . (*Tips: Avoid using Shampoo for the next 12 ~ 24 hours if possible.)

Precaution:

1. Avoid contact with eyes, eyelashes or lips.
2. Topically applied only.
3. Keep out of the reach of children.
4. Do not use if you have any cuts, bruises or rashes on the skin or scalp.

Note:

1. Since this is a 100% pure & natural, oxidization process is requiring. Herbal Color may surface between 24 to 48 hours after application.
2. If you have more or stubborn greyer hair, for best results, you are recommended to repeat the session within a week time for good color & beautiful looking hair.
3. The actual color effects will subject to individual hair based color.
