IHT9 Natural Hair Shampoo

This Ayurvedic shampoo contains natural follicle stimulators, hair nutrients, scalp cleansers, intensive hair therapy, instantly nourishes scalp and stimulate hair growth that promotes longer and thicker hair. Apart from fighting hair loss, this shampoo also keeps hair gentle enough to use on permed, colour, bleached or highlighted hair. Both men and woman can benefit from this highly effective herbal hair shampoo.

IHT9 Natural Hair Conditioner

Enriched with goodness of Aloe Vera & Ayurvedic herbs that helps treat scalp disorders and prevent hair loss. The IHT9 natural hair conditioner also balances your hair's pH. This rinse off mild hair conditioner keeps the hair soft and tangle free. It lifts and separates the hair leaving it soft, shiny and full of volume. Perfectly for oily, normal or dry hair. Gentle enough to use on perm, colour treated, bleached or highlighted hair.
